CR004	Rounded TotalPrice to 2 decimal places using ROUND formula to fix precision errors	Affected rows	Resolved
CR005	Filled blank CouponCode cells with 'No Coupon' using Find & Replace	Affected rows	Resolved

Verification

The following checks were performed to confirm data integrity after cleaning:

- ✓ Zero duplicate OrderIDs confirmed
- ✓ All Date values correctly formatted as YYYY-MM-DD
- ✓ All UnitPrice and TotalPrice values rounded to 2 decimal places
- ✓ All blank CouponCode entries replaced with 'No Coupon'
